Ireland's Worst Driver - Mr Prawo Jazdy

To be sure, your man Prawo Jazdy is a slippery fellow. He's wanted for 50 different driving offences all over Ireland. Now, Prawo is clever because every time we book him, his driving licence has a different address. Every man in the *Garda has a different theory about how this 'Scarlet Pimpernel' escapes the clutches of the law. Finally, the penny dropped, Prawo Jazdy is not a Hungarian name, but the Polish words for Driving Licence.

The Garda had caught 53 different Polish drivers, but thought they were dealing with the same man. Naturally, the Polish community in Ireland are having a good laugh about Mr Prawo Jazdy.

*Garda are the Irish Police force.

Service Charge?

Policeman: I'm afraid that I'm going to have to lock you up for the night.

Man: What's the charge officer?

Policeman: Oh, there's no charge. It's all part of the service.

Something Missing?

Last week, Vicky, a distraught wife went to the local police station in Wigan, Lancashire, along with her next-door neighbour, Pauline, to report that her husband was missing.

The policeman asked for a description of the missing man.

Vicky described him clearly and in detail, 'He is 35 years old, 6ft 4 inches, has dark eyes, dark wavy hair, an athletic build, weighs 185 pounds, is softly-spoken and is fabulous with the children'.

Pauline interrupts her protesting, 'Why Vicky, your husband is 5 ft 8 inches, corpulent, bald, has a big mouth, and is horrid to your children'.

Vicky replied, with a sigh, 'Yes, but who wants HIM back?'

Police Uniform?

Sonya asks a man in uniform, 'Are you a policeman?'

'No, I am an undercover detective.'

'So why are you in a policeman's uniform?' demands Sonya.

'Today is my day off.'

Police Force Resign Enmasse [True Story]

A town's entire police force resigned in Hungary after winning

more than £10 GBP million [\$16.4million USD] in a lottery.

The 15-strong squad policing Budaörs, a town in Pest county, Budapest metropolitan area, Hungary, scooped the jackpot with their ticket and all quit on the spot.

Another True Funny Police Story

A bank robber in Virginia Beach Virginia, USA got a nasty surprise when a dye pack designed to mark stolen money exploded in his trousers.

The robber apparently stuffed the loot down the front of his pants as he was running out the door.

A police spokesman informed us, 'He was seen hopping and jumping around with an explosion taking place inside his pants.'

Police have the man's charred trousers safely in custody.

A Speeding Woman

A police officer stops Moira Wilde for speeding and asks her, most politely, if he can see her licence.

Moira replies in a huff, 'I wish you people would get your act together. Only yesterday you took away my licence and then today you expect me to show it to you.'

Old Police Joke - Serial Offender

Two policemen are called to the scene of a crime at the Gateway local convenience store in Fareham, England. One asks the manager, Roger Cook, what happened.

Roger replies stolidly, 'There's a man over there covered in Corn Flakes and, I'm afraid that he's dead.'

'That's odd,' frowned the first police detective, 'didn't we have one covered in Bran Flakes yesterday and another covered in Weetabix last week?'

'You're right,' agreed the second detective, 'This is obviously the work of a cereal killer.'

The Reckless Driver: A Puny Tale

Driving to work last week, Nicholas had to swerve quite violently to avoid a box that fell out of a lorry in front of him.

Moments after, a policeman pulled him over and accused him of reckless driving. Fortunately, another officer had also seen the container in the road. The policemen stopped traffic and recovered the box. It was found to contain large upholstery tacks.

'I'm sorry sir,' the first traffic cop told Nicholas, 'but I am going to have to write you a ticket.'

Amazed, Nicholas asked for what.

The policeman retorted, 'Tacks evasion.'

Bungling Burglar Stories

1. Investigating a purse snatching in Brunswick, Georgia, detectives picked up a man who fit the thief's description and drove him back to the scene. He was told to exit the car and face the victim for an ID. The suspect dutifully eyed the victim, and blurted, 'Yeah, that's the woman I robbed.'
2. In Nashville, they tell of a burglar who fell asleep on the sofa of the home he was robbing, only to be awakened by police.
3. In Thibodaux, Louisiana, a robber with a thick Cajun accent couldn't get restaurant patrons to understand his demand for money. Frustrated, he whipped out his gun, but it wouldn't fire. Grabbing the cash register, he ran.....but got only three feet before falling down. The register was still plugged into the wall. Unplugging it, he tried again, but a diner knocked him down and called the police.
4. In Rhode Island, police were sure they had the right man when the suspect in a string of coin-machine thefts paid his \$400 bail entirely in quarters.
5. Texas authorities, responding to a store robbery, seized a man who was fleeing naked. He said he'd stripped after the job because he figured his clothes would make him identifiable.
6. In Lawrence, Kansas, officers tracked a midnight thief who prided himself on his running speed by following the red lights on his high-tech tennis shoes.
7. In Virginia, a janitor went to great lengths to avoid ID. in a "Seven-Eleven" robbery, using a ski mask and rental car for the occasion. But he also wore his work uniform, which said "Cedar Woods Apartments" and had his name, Dwayne, stitched across the front.
8. Two robbers in Michigan, USA, entered a record shop nervously waving revolvers. The first one shouted, 'Nobody move!' When his partner moved, the startled first bandit shot him.
9. A robber, in a town in Germany, was caught after he escaped with his swag but he left his trousers behind. Police successfully arrested him at a railway station trying to board a train in his underpants. You couldn't invent these funny occurrences.
10. A bungling Australian car thief was nabbed after accidentally locking himself in the vehicle he was trying to steal in Adelaide, Australia.

Funny and Humorous Comments Made By Arresting Constables, Allegedly

1. The answer to this last question will determine whether you are drunk or not. Was Mickey Mouse a cat or dog.
2. Yeah, we have a quota. Two more tickets and my wife gets a toaster oven.
3. Life's tough, but it's tougher if you're stupid.
4. No sir, we don't have quotas anymore. We used to have quotas, but now we're allowed to write as many tickets as we want.
5. Just how big were those two beers?
6. The handcuffs are tight because they're new. They'll stretch out after you wear them awhile.
7. If you run, you'll only go to jail tired.
8. So, you don't know how fast you were going. I guess that means I can write anything I want on the ticket, eh?
9. Yes sir, you can talk to the shift supervisor, but I don't think it will help. Oh, did I mention that I am the shift supervisor?
10. In God we trust, all others are suspects.

This one almost made our top ten: Warning! You want a warning? O.K., I'm warning you not to do that again or I'll give you another ticket.

When a married man says I'll think about it,
what he really means is that He doesn't know his wife's opinion yet.

The world is in economical mess?

This is a crazy world! Interesting article written by an Indian Economist

Japanese save a lot. They do not spend much. Also, Japan exports far more than it imports. Has an annual trade surplus of over 100 billion. Yet Japanese economy is considered weak, even collapsing.

Americans spend, save little. Also US imports more than it exports. Has an annual trade deficit of over \$400 billion. Yet, the American economy is considered strong and trusted to get stronger.

But where from do Americans get money to spend? They borrow from Japan, China and even India. Virtually others save for the US to spend. Global savings are mostly invested in US, in dollars.

India itself keeps its foreign currency assets of over \$50 billion in US securities. China has sunk over \$160 billion in US securities. Japan's stakes in US securities is in trillions.

Result: The US has taken over \$5 trillion from the world. So, as the world saves for the US - It's The Americans who spend freely. Today, to keep the US consumption going, that is for the US economy to work, other countries have to remit \$180 billion every quarter, which is \$2 billion a day, to the US!

A Chinese economist asked a neat question. Who has invested more, US in China, or China in US? The US has invested in China less than half of what China has invested in US.

The same is the case with India. We have invested in US over \$50 billion. But the US has invested less than \$20 billion in India.

Why the world is after US?

The secret lies in the American spending, that they hardly save. In fact they use their credit cards to spend their future income. That the US spends is what makes it attractive to export to

the US. So US imports more than what it exports year after year.

The result : The world is dependent on US consumption for its growth. By its deepening culture of consumption, the US has habituated the world to feed on US consumption. But as the US needs money to finance its consumption, the world provides the money.

It's like a shopkeeper providing the money to a customer so that the customer keeps buying from the shop. If the customer will not buy, the shop won't have business, unless the shopkeeper funds him. The US is like the lucky customer. And the world is like the helpless shopkeeper financier.

Who is America's biggest shopkeeper financier? Japan of course. Yet it's Japan which is regarded as weak. Modern economists complain that Japanese do not spend, so they do not grow. To force the Japanese to spend, the Japanese government exerted itself, reduced the savings rates, even charged the savers. Even then the Japanese did not spend (habits don't change, even with taxes, do they?). Their traditional postal savings alone is over \$1.2 trillion. Thus, savings, far from being the strength of Japan, has become its pain.

Hence, what is the lesson?

That a nation cannot grow unless the people spend, not save. Not just spend, but borrow and spend. Dr. Jagdish Bhagwati, the famous Indian-born economist in the US, told Manmohan Singh that Indians wastefully save. Ask them to spend, on imported cars and, seriously, even on cosmetics! This will put India on a growth curve. This is one of the reasons for MNC's coming down to India, seeing the consumer spending.

'Saving is sin, and spending is virtue.'

But before you follow this Neo Economics, get some fools to save so that you can borrow from them and spend !!!

The world is in economical mess!

THE FIRING SQUAD

A brunette, a redhead and a blonde get captured and are placed before a firing squad. They are about to be executed and the brunette says "Look...Hurricane" and points to her left while she gets away. The redhead girl says "Look...Tornado", points and gets away. Finally the blonde tries to do the same thing, she says "FIRE"

A 92 Year Old Hollywood Pirate & a Hero to Soldiers

Hyman Strachman is a WW2 veteran that spends most of his time pirating movies. He started doing this as a hobby shortly after his wife passed away to keep himself occupied. Since 2004 Hy has copied an estimated 300,000

movies and sent every single one to soldiers in Iraq and Afghanistan – out of his own pocket.

Hyman spent approximately \$30,000 on his hobby so far since he began in 2004. The cost of purchasing pirated copies of movies, blank CD's and expensive overseas postage really adds up!

Every box he sends out has 84 discs that usually go out to a platoon in Iraq or Afghanistan. Hyman

acknowledges his violations of domestic copyright laws, but he also pointed to his walls – which are full of huge American flags and dozens of appreciative letters and photos of soldiers holding up their favorite DVD's. After Mrs. Strachman passed away, Hy discovered a website that collected soldier's requests, which was largely filled with requests for DVD's and such.

When Mr. Strachman first started out he copied CD's on his personal desktop which was a very tedious one-by-one process. He got his hands on a \$400 professional duplicator to speed up his process. "Our downtime is spent watching movies as we clean our weapons" – a hand written note on the wall said. Hy has never accepted any type of payment for the work that he has done. All he gets in return is letters and emails from soldiers thanking him for the work that he has done for them.

Hyman has seven three-ring binders which are overfilling with letters and printed emails thanking him for the things he has done. Our hats off to you sir, you're a good man.

‘दाढ़ी बढ़ाओ – देश बचाओ’ – मनोहर लाल रत्नम

एक कवि की कविता की एक पंक्ति ऐसे जन-जन में लोकप्रिय हुई जैसे किसी छोटे नेता के बड़े काम की चर्चा उसको लोकप्रिय बनती है। कविता की पंक्ति थी ‘दाढ़ी बढ़ाओ – देश बचाओ’। हर युवक इसी पंक्ति को गाता हुआ गली-मुहल्ले में जाता और जिसने भी इस पंक्ति को सुना, वह इसी का दीवाना बन जाता।

अगर दाढ़ी के बढ़ाने से देश बच सकता है तो यह तो बड़ा ही मामूली सा फार्मूला है। हर बुद्धिजीवी, राजनेता इस संदर्भ में विचार-गोष्ठियां करने लगे। ‘दाढ़ी बढ़ाओ – देश बचाओ’ अब कविता की पंक्ति ही नहीं समाज का एक सार्थक नारा भी बन चुका था।

कुछ समाज के निठल्ले खोजी व्यक्तियों ने इस पंक्ति के जनक की खोज प्रारम्भ की। इस कविता के जनक का जब पता न चला तो अखबारों तथा दूरदर्शन पर एक विज्ञापन किया गया। ‘दाढ़ी बढ़ाओ – देश बचाओ’ नामक कविता के कवि की समाज को आज तलाश है। इस कविता का रचनाकार जिस हाल में भी हो वह तुरन्त विज्ञापन कर्त्ताओं से संपर्क करें। कवि ने दूरदर्शन पर देखा, अखबर में पढ़ा तो जा पहुंचा अपने खोजने वालों के सामने।

कवि को साक्षात् सामने पाकर खोजी व्यक्तियों ने इस कविता के जनक का सार्वजनिक अभिनन्दन किया। इस अभिनन्दन समारोह में सभी उपस्थित वक्ताओं और श्रोताओं-दर्शकों ने सामूहिक रूप से दाढ़ी बढ़ाने का संकल्प किया। कवि को एक स्मृतिचिन्ह (दाढ़ी), एक शाल के साथ एक लाख रुपया नकद दिया गया। कविता की एक पंक्ति ने कवि को एक दिन में लखपति बना दिया।

समारोह का समाचार दूरदर्शन पर प्रमुखता से प्रसारित हुआ। होता भला क्यों न, बिना कुछ खर्चा किए अगर देश बचता है तो इतिहास का यह स्वर्ण युग ही तो कहा जाएगा। अखबारों ने समाचार के साथ कवि के चित्र भी प्रकाशित किए।

अगले दिन नगर के सभी नाईयों ने अनिश्चितकालीन हड़ताल प्रारम्भ कर दी। नगर का शोर सरकार तक पहुंचा। सरकार ने ‘दाढ़ी बढ़ाओ – देश बचाओ’ कविता पर नाईयों की मांग पर आयोग बिठा दिया।

नाईयों का निर्णय अटल था और कवि की कविता भी

सबल थी। पूरी कविता तो शायद ही किसी ने पढ़ी हो, मगर एक पंक्ति में ही बल था ‘दाढ़ी बढ़ाओ – देश बचाओ’।

दो माह बाद ही सभी नागरिकों के मुख पर नाईयों की हड़ताल के कारण दाढ़ियाँ बढ़ने लगी। सर के बाल भी अब काफी बड़े लगने लगे। नारियों के श्रृंगार केन्द्र यानि की हरबल, हेयर स्टाईल भी हड़ताल में शामिल हो गए। सारा समाज अब बालों के बवाल से पीड़ित हो गया। ‘दाढ़ी बढ़ाओ – देश बचाओ’ कविता के

जनक कवि को, उसके सम्मानकर्त्ताओं ने फिर पकड़ा और नाईयों की हड़ताल पर चर्चा की। चर्चा में बात सामने आई कि आज सारा समाज बालों के बवाल से परेशान है, नाईयों की हड़ताल से दाढ़ी के साथ अब सर के बाल भी बढ़ गए हैं, क्या किया जाए।

कवि ने दारु का एक पैग लगाते हुए कहा – कविता करना तो मेरा शौक है। अगर आप मुझे विवश करते हैं तो मैं एक कविता और लिख देता हूँ ‘दाढ़ी हटाओ – समाज बचाओ’। कविता लिख दी गई। नगर पिता की अध्यक्षता में उस कवि की कविता का पाठ हुआ, दूरदर्शन ने इसका सीधा प्रसारण किया—

दाढ़ी रखना सबके बस की बात नहीं,

दाढ़ी पालने की सब में औकात नहीं।

केवल दाढ़ी रखते हैं सब बुद्धिजीवी—

दाढ़ी हटाकर ‘रत्नम्’ सारा समाज बचाओ।

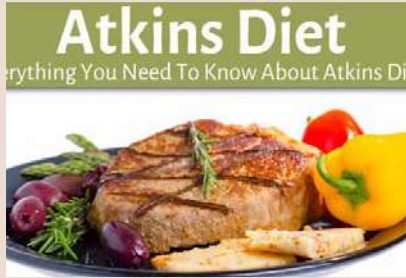

कवि की यह कविता जब दूरदर्शन से सीधे प्रसारित हुई तो जनता में हर्ष की लहर दौड़ गई। नाईयों की हड़ताल भी समाप्त हुई। कवि को पुनः सम्मानित किया गया। समाज में हर व्यक्ति चिकना (क्लीन) सा दिखने लगा।

एक साल बाद आयोग ने जब फैसला सुनाया तो सभी भौचक्के रह गए। आयोग ने फैसला दिया कि दाढ़ी हर मनुष्य के लिए अनिवार्य है, दाढ़ी बढ़ाने से जेब का पैसा बचता है, यदि पचास वर्ष तक व्यक्ति दाढ़ी न बनाए तो उसे प्रतिवर्ष १२३०.०० रुपये की बचत होगी और पचास वर्षों में लगभग एक लाख रुपया बचत होने की सम्भावना है और एक वर्ष में १८० घंटे समय भी बचेगा, जो इसकी रचनात्मक गतिविधियों में हितकारी होगा।

Letter to the Past President

29.09.2015

To,

Shri. Ajoy Chhabra,
Past President,
Ranchi Club Limited, Ranchi
Sir,

At the onset, I would like to thank you from the core of my heart for all that you have done during your office in the Club. In fact, the word 'Thanks' seems to be too small to express my sincere gratitude. It had really been a very nice time in the Club during your Presidentship. The Club's atmosphere had been very pleasant and amicable. The administration was extra ordinarily good. Certain amendments made by you in the administration process and the new introductions brought about by you are really appreciable. You have set an example for the forthcoming Presidents of the Organisation. I expect that you will be always there to render your valuable guidance in future.

At last, I would only like to say, "THANKS FOR BEING THERE'.
